OBJECTIVE

My objective is to leverage my skills and knowledge in software development to contribute effectively to challenging projects, while continuously learning and growing in a dynamic work environment.

EDUCATION

Class	Institute/Board	Score	Passing Year
B.Tech(CSE)	Yeshwantrao Chavan College of Engineering	8.43	2025
HSC	Maharashtra Board	91.5%	2021
SSC	Maharashtra Board	91.4%	2019

SKILLS

- **Languages:** C, C++, Python, SQL, HTML, CSS
- **Frameworks:** Django, Bootstrap
- **Databases:** MySQL, Oracle
- **Developer Tools:** GIT, Github

PROJECTS

- **Employee Management System**

A comprehensive solution for streamlined employee record management

- Developed a robust CRUD application for efficient management of employee records. The system features seamless functionalities for adding, deleting, updating, and filtering employee details. Utilized MySQL database for secure and scalable data storage, ensuring reliable performance and data integrity.
- **Tools & technologies used:** HTML, CSS, Bootstrap, Django, MYSQL

- **MediCare**

Online e-commerce platform for medicines and pharmaceutical products.

- Developed a comprehensive online platform for purchasing medicines and pharmaceutical products. The system allows users to upload prescriptions, select medicines based on their health issues, and get them delivered to their doorstep. Users can choose between online payment and cash on delivery options. The user-friendly interface and secure transaction process enhance the overall user experience.
- **Tools & technologies used:** HTML, CSS, Bootstrap, Django, MYSQL

CERTIFICATIONS

- **Web Development with Django – Infosys Springboard**

A comprehensive course covering web development using Django framework.

- **Introduction to Python – Infosys Springboard**

Completed the introductory course on Python programming.

- **PWC Launchpad Training – PricewaterhouseCoopers**

Underwent training from February 2024 to Present, covering IT Fundamentals, RDBMS in Oracle, Java Programming, DevOps and Cloud Fundamentals, and Introduction to Web Development.
